

Statement of Work — Template (Attach to MSA)

Project

Title: | Client: | Effective Date:

Scope of Work

Describe the features, platforms, and acceptance criteria. Include specific deliverables (code, docs, binaries).

Milestones & Schedule

List milestone dates and deliverables. Provide a target release date.

Fees & Payment Terms

Flat fee: \$_____ or Milestone fees: \$_____ on acceptance of each milestone. Invoices net 15 days.

Assumptions

Client will provide required assets/information on schedule. Changes are handled via written change requests and may affect fees and timeline.

Testing & Acceptance

MAKO will run automated tests and provide demo builds. Client has X business days to review; acceptance occurs on written approval or absence of rejection with reasons.

Ownership & IP

Upon full payment, Client owns all Deliverables (subject to listed third-party licenses). No royalties or claims retained by MAKO.

Support (Optional)

Post-delivery support can be provided at \$____/hr or a monthly plan. Not included unless specified.
